

Volunteer Information Sheet

Hello!

Below is a list of options for how to get involved. Have a read-through and let us know if one of these options is suitable for you/your family this summer.

Parent Volunteers

Parent volunteers support both their child(ren) and the rest of the group in the forest but are only responsible for their own child(ren). Parent volunteers support the child(ren)'s play and assist them to meet their specific needs. They are responsible for communicating with facilitators to support the team in delivering quality programming.

This is an opportunity to explore the forest with your child, participate in programming, and have the flexibility to stray from the group if needed. We require a Criminal Record Check, a Vulnerable Sector Check, and a brief get-to-know-ya meeting!

Discounts are available for parents who choose to volunteer while their child attends camp. Please reach out to us for more details.

Visiting Parent

Parents are always welcome to visit the forest site! Please let us know in advance if you plan to visit. Visiting parents can get a taste of forest school without the time commitment of volunteering.

General Volunteers

Know somebody whose child is not enrolled at forest school who would enjoy spending time in the woods with your fantastic children? Send them our way! We require a criminal record check, a vulnerable sector check, and a brief interview!

If any of these options interests you, let us know! Once you arrive at camp, there will be an informed consent form to sign. We hope to see you in the forest!

Your Forest Friends,
Tara and Sam
